

# HOLOGRAM SIM ACTIVATION GUIDE

**STEP ONE - Create an Account:** Create a Hologram Dashboard account by signing up at: <https://dashboard.hologram.io>.

**STEP TWO - Navigate to activation:** From the Hologram Dashboard, click the Activate your first SIM button.

**STEP THREE - Enter SIM number:** Every SIM card has an 18-22 digit unique ID printed on it. Enter your SIM's ID in the activation form.

**STEP FOUR - Enter Promo Code:** Under the Activate your SIM section, click "Have a promo code?"

Activate your SIM

SIM NUMBER

[Need to activate more than one SIM?](#)

[Have a promo code?](#)

[Want to set your sim/device name during activation?](#)

Enter the SwiftNav promo code which applies to where your Duro will be deployed:

SWIFTNAVGLOBAL - 250 MB for \$28 for global connectivity.

SWIFTNAVUS - 250 MB for \$7 for devices only in the United States.

# HOLOGRAM SIM ACTIVATION GUIDE

**STEP FIVE - Choose Your Plan:** Select a plan for your device.

DATA PLAN

<p><input type="radio"/> Developer</p> <p>1MB Free each month with no monthly fee. Additional data use is billed by the KB at our Pay-As-You-Go rates with no contracts or roaming charges within your zone.</p>	<p><input type="radio"/> Pay-as-you-go</p> <p>Pay only for what you use, down to the KB. Our Pay-As-You-Go Plans have no contract or roaming charges within your zone.</p>	<p><input checked="" type="radio"/> Monthly</p> <p>250 MB - US Only ▼</p> <p>Monthly fixed pricing plans with better pricing per KB than our Pay-As-You-Go Plans. Monthly plan costs are billed each month with no rollover, additional fees or roaming charges within your zone.</p>
--	--	---

**After you complete your first SIM activation with a promo code, you will then have access to unique discount SwiftNav pricing plans.**
